June 8, 2017 – JIM'S SELF STORAGE® is proud to announce an exciting new expansion of its award-winning self-storage facility in Williamstown, Victoria.

Father-and-son founded JIM'S SELF STORAGE® has proudly served the local community for over 20 years, not only through its state of the art short and long-term storage solutions but with keen sponsorships, participation and fundraising in support of local sports and life saving clubs, schools and community groups.

With a strong commitment to the local community, Jim and Ivor Morgan have been steadily growing, improving and expanding JIM'S SELF STORAGE® since 1996. Now offered are state of the art services for personal and residential storage, commercial, document and business storage, boat and wine storage, packaging supplies and more.

In 2011, JIM'S SELF STORAGE® added the Self Storage Association of Australasia's Best Facility Upgrade/Expansion award to its suite of honours, and is confident this latest major expansion will be just as successful.

Jim and Ivor Morgan commented: *"Our solid commitment is not only to providing the very latest in security technology and equipment, but also close engagement with Williamstown and the western suburbs at large. We are proud of our local sponsorships and involvement with community activities, and are confident this latest expansion further demonstrates our eagerness to grow along with the people we serve."*
